Word Wall

If you have space in your home, I recommend hanging this word wall up. We will color the sight word each week, so they only need to focus on the colored one. This is most of them for the entire year.

December
Workbook

I created this workbook to give the students more practice using pencil and paper. My hope is to assign less activities on Seesaw. Please note some page numbers are hard to see but they are all in order (2-29).
